NOMINATING COMMITTEE'S REPORT  
September 21, 2019**

Through the "Dove" (Conference Newsletter), the Conference Branch President notified the members of the Executive Board which includes all Local WMS Presidents, about procedures for submitting "Letters of Intent", to the Nominating Committee. The deadline for submission was established by the Episcopal District (July 20, 2019), and announced during the Conference Institute .

The Nominating Committee was appointed by the Conference President to give considerations to names submitted or recommended as nominees for offices, and to examine any and all necessary information regarding potential nominees in order to determine if the persons met all qualifications required for the offices being sought.

The Episcopal Supervisor provided a Pastors' Endorsement Form that was shared via telephone with each pastor who had candidates for election. This form was used to determine the candidates' commitment to service in the local church as well as the Women's Missionary Society.
