*We are called to strengthen our faith and sent to continue the
ministry of Jesus Christ by service and witness in the world.*

Dear Missionaries!

To God be the glory for a wonderful beginning to our new series of Annual Conferences! We thank God for a spirit-filled and successful first Annual Conference held in Prattville, Alabama, at the Historic Ward Chapel AME Church. Many thanks to Sister Mattie Frizzell, Conference President, and Sister Hazel Bellamy, Conference YPD Director, for their leadership, commitment, and faithful service. We enjoyed two wonderful days of fellowship while we learned about the wonderful missions work done this conference year. We also successfully elected our youth and missionary delegates who will represent us at the upcoming 21st Quadrennial Convention next summer in Dallas, Texas. What a blessing!

Now, we are looking forward to moving across the state with great anticipation to our upcoming series of conferences. Next up, the Northwest Alabama Annual Conference to be held at St. Paul AME Church in the Smithfield Community and then the Southeast follows right behind in Dothan! The work gets better and better, and by the grace of God, we are going higher and higher!

As we continue this Annual Conference season, let us remain prayerful, purposeful, strategic, deliberate, and intentional about the work God has entrusted to our hands. If you have not given to the WMS Capital Campaign, you still have time. Please be prepared to make your donation by the end of October. We need 200 missionaries to commit to a \$50.00 donation as we prepare to head to Texas next summer.

There is still much work to be done, and together we will continue to be God's hands and feet, serving His people and doing His work in a more excellent way.

May God continue to bless the Women's Missionary Society of the Ninth Episcopal District as we go higher and higher!

Yours in Christ and Missions,

Supervisor Deana Young McAllister
Ninth Episcopal District
African Methodist Episcopal Church

Grace, peace, and missionary love!

What a wonderful beginning to this season of Annual Conferences! I extend heartfelt congratulations to the **Alabama River Region** on a **great WMS and YPD Convention**. Thank you to every missionary, YPD'er, officer, advisor, pastor, and supporter who helped make the gathering meaningful and successful. You reminded us that when missionaries and young people come together with willing hearts, **mission moves, ministry matters, and lives are impacted!** And we are just getting started! I am looking forward with great anticipation to joining and celebrating with our other Conferences as we continue traveling throughout the Ninth Episcopal District. Wherever we gather, let us show up ready to worship, ready to work, and ready to serve.

As we move through September, **Sickle Cell Awareness Month**, let us remember that mission includes caring for the whole person. Sickle cell disease affects approximately 100,000 people in the United States and disproportionately affects African Americans. Our WMS can help make an **IMPACT** by increasing awareness, encouraging education, supporting families, promoting blood donation where appropriate, and connecting our communities with reliable health resources. Every local society can do something. Every Area can do something. Every Conference can do something. **Small acts of service, multiplied across the District, become a mighty ministry of love.**

And missionaries, the **42nd WMS State Convention is coming December 11–12, 2026, hosted by the Northwest Alabama Conference!** I encourage every missionary, pastor and lay person to register, participate, and support our State Convention. Registration is \$100. Do not wait until the last minute, let us prepare now to come together in strength, fellowship, worship, and service. Let us demonstrate that the Ninth Episcopal District is not simply talking about missions, we are **MOVING MISSIONS FORWARD!**

This year, I want us to think about one word: **IMPACT**. Not simply how many meetings we held, but **what changed because we showed up?** Not simply how many programs we sponsored, but **whose life was touched?** Not simply what we gave, but **what difference did our giving make?**

I — Identify → *What is the need?*

M — Mobilize → *What resources can we bring together?*

P — Partner → *Who can help us address it?*

A — Advocate → *Whose voice or cause needs our support?*

C — Change → *What measurable difference did we make?*

T — Transform → *What lasting difference resulted?*

That is the kind of **IMPACT** I want us to pursue. When we feed someone, let us know how many people were fed. When we mentor young people, let us know how many young people were reached. When we advocate, let us identify what changed. When we serve our communities, let us tell the story of the lives touched. **We don't want to be busy just for the sake of being busy, we want our mission work to bear fruit!**

Missionaries, there is still work to do. There are communities waiting for our presence, young people waiting for encouragement, families needing support, and voices needing advocates. So put on your missionary spirit, bring our YPD alongside us, and **MOVE!** Move with prayer. Move with purpose. Move with compassion. Move with excellence. And most of all, **move with IMPACT!**

May God continue to bless our Bishop and Supervisor, our clergy, our WMS and YPD leadership, and every missionary throughout the Ninth Episcopal District. I look forward to seeing you as we continue our Annual Conference journey, and I especially look forward to seeing you at our **42nd WMS State Convention!**

God First, Missions Forward, Love Unconditionally
Always Moving Forward with Excellence!
Let's make an IMPACT!

The **AMEC National Alzheimer's Partnership Committee** has some exciting news to share with you, and we ask that you forward this to members of your organization with a request that they share, as well.

- We continue to provide "mental respite" to those caring for loved ones living with Alzheimer's disease and related dementias through the monthly **Caregiver Support Groups**. Kindly refer to the attached flyer for details.
- Each church and/or member is asked to create a Team for the **Walk to End Alzheimer's** with a goal of \$1,000. Be sure to put A.M.E. in the Team's name, which will result in those funds rolling up to the National A.M.E. Team.
